

KING AMBARISHA

- Soumya Bugya
Oct 6, 2005

King Ambarisha decided to worship Lord Vishnu.

So he fasted for a year, and pray-
ed

After the year sage durvasa
came.

And he said -

after they went ^{it} was time to
break the fast but there was a
problem

Just then, Sage duvasa returned

How dare
you!!!
ooo

I will
curse you!!
..

so he pulled
out a cluster
of his hair and dashed
it to the ground.

And from it arose a demon

Then Vishnu's discus came. ^

Then it went chasing Durvasa.
